

Stephen F. Austin Golf Club Group Games

Since the floods took our home course, the group games have been played at other local courses. Certain members have risen to take charge of these games and have done a good job.

When the course opens again, the owners and their employees will be dealing with many finishing touches, therefore they want the group players to continue handling their games.

Group games can be Monday thru Thursday, leaving Friday, Saturday and Sunday the best time to draw green fee players. Tee times for members and frequent players will be available for Friday, Saturday and Sunday.

When the course opens and we begin playing the group games:

- 1.) Anyone planning to play in today's game must be signed up no later than 12:00 noon. Teams will be picked at 12 noon so that play may begin at 12:30 pm. The signup sheet will be located in the pavilion.**
- 2.) Finished score cards will be typed into the computer by the assigned operator. The computer will be located in the pavilion and several people will be trained to use the programs, so that we always have an operator present.**
- 3.) Results and payout will be done in the pavilion.**
